

SHERMAN HAULING

PO Box 625

Sherman, TX 75091

(800) 782-9845 Customer

Residents of Gunter Texas;

Waste Management has been chosen to be the sole provider for all your solid waste needs. **Effective Tuesday, June 29, 2010**, and every Tuesday thereafter, we will service your solid waste needs. Each resident will be provided a Green Cart. Green carts are for regular household garbage only. Please follow the below procedures to ensure your cart is serviced;

Please do not overload your cart.

Please have your cart out by 7:00 am.

All trash must be inside the cart.

If you have additional trash, please contact City Hall so arrangements can be made to supply you with an additional cart.

Brush/Bulky waste will be collected on the **First Saturday** of every month. If you have bulky items to be collected, please call City Hall or Customer Service (1-800-782-9845) no later than 4:00 pm on the Friday before the first Saturday to be put on the list for this service. Please, no more than two cubic yards.

Acceptable items for brush/bulky service are as follows;

Appliances (other than items containing Freon)

Furniture

Water Heaters

Household construction debris (no contractor debris)

Bundled brush – cut and bundled, no longer than 4 ft in length, 6 inch in diameter or smaller, not weighing more than 50 lbs per bundle

Unacceptable items;

Dead animals

Any type of liquid or chemicals

Paint

Tires

Any item containing Freon (refrigerators, air conditioners, etc).

Automobile parts

Large pieces of metal (fence post, pipe, etc).
